Sources: The State Junior College Fund consists of all moneys which may be appropriated, apportioned or allocated to the Fund, pursuant to Idaho Code §33-2139. Recent revenues into this account have come exclusively from that portion of the funds generated by the controlled sale of liquor in the state designated for the community colleges. It is a flat, statutory distribution of \$300,000 per year, half of which goes to North Idaho College and the other half going to the College of Southern Idaho.

Uses: The State Junior College Fund is allocated to qualified junior college districts as a direct payment to the governing board of each junior college with half paid on July 20 and half on the first day of September of each year according to Idaho Code §33-2141. Both North Idaho College and the College of Southern Idaho comingle funds from this account with their other revenue sources and expend them to fulfill their mission of providing access and quality academic and professional-technical programs to their student bodies.
